Dalibor Dadoff, a DJ and producer with over 18 years experience in the dance music scene, he is creating the finest electronic atmosphere combined with the various worldly melodic influences.

His wide sound range combines his specific deep house beats complemented with refreshing dance grooves.

Having a great connection with his audience he is powerfully building the mood, gradually involving more pumping and melodic sounds.

Residing in one of the most iconic hotspots for the electronic music scene, Dalibor Dadoff can be heard in many prestigious venues and clubs around Ibiza, as a resident DJ at Cotton Beach Club and Privilege Ibiza On Tour, and active at many other places on international level as well. He is transmitting his own weekly radio show in Ibiza Global Radio, with the music choice creatively blended into a one hour journey.
